Subject: DOS Email: Reminder Regarding Requirement to Sign AND Date Declaration Envelopes

County of Lehigh Warning: This is an external email. Please exercise caution.

Good morning everyone.

Since the Municipal Primary on May 18, the department has seen several news articles suggesting that some counties are continuing to accept and count ballots that do not contain both a signature and a date on the voter's declaration.

As you know, the department updated the content and the instructions on the declaration envelope to ensure that voters know they must **sign and date** the envelope for their ballot to be counted. Furthermore, our updated guidance is consistent with the Supreme Court's ruling last September in *In Re: Canvass of Absentee and Mail-in Ballots of November 3, 2020 General Election*, wherein the Court held that in future elections a voter's declaration envelope must be both signed and dated for the ballot to count. Though we share your desire to prevent the disenfranchisement of any voter, particularly when it occurs because of a voter's inadvertent error, we must strongly urge all counties to abide by the Court's interpretation of this statutory requirement.

We also believe that it is prudent to again remind you of our previous clarification of 10/25/2020. As noted in that communication, there is no basis to reject a ballot for putting the "wrong" date on the envelope, nor is the date written used to determine the eligibility of the voter. You should process these ballots normally.

If you have any questions about the guidance posted on the department's website, please contact us and please consult with your solicitor.

Thank you for everything that you do.

Kind Regards,

Jonathan M. Marks
